Overview

A cultural tour to Mount Sinai and Saint Catherine's Monastery is a uniquely pleasurable journey through history and spirituality. Hiking to Mount Sinai peak on the site where Moses is believed to have received the Ten Commandments and admiring the exquisite desert views is absolutely breathtaking! Egypt tours, including this experience, allow you to explore the spiritual essence of the region. St. Catherine's Monastery, the fabled Burning Bush with its antiquities, successfully competes with the Old World atmosphere that nurtured Christianity. The tour combines a rare splendor of nature and cultural focus.
