Day 5

Cruise to Luxor with Egypt and Jordan Luxury Private Tour

The 5th day begins with a good, wholesome breakfast, and then you will be visiting Luxor's West Bank to see three astonishing sites. Your tour today will begin with a visit to a vast ancient necropolis called the Valley of the Kings. A huge number of tombs were constructed here over 500 years, from the 16th century BC to the 11th century BC. Archaeologists have discovered more than 70 tombs in this area, all of which belonged to pharaohs and powerful nobles of the New Kingdom. The tombs range from basic pit-like structures to complex tombs containing as many as 120 chambers. Some of the most famous tombs in the area include the tombs of Ramesses II, Ramesses III, his father Setnakhte, and the boy king, Tutankhamun. Your next stop after this ancient burial ground will be at the remarkable rock-hewn mortuary temple of Queen Hatshepsut, the 5th pharaoh of the 18th Dynasty. Dedicated to Amun, the sun god, the temple is considered to be one of Egypt's most prized ancient monuments, and it is fair to say that no trip through ancient Egypt would be complete without visiting this incredible site. This is just one highlight among our best luxury Egypt and Jordan tours, designed to make your journey unforgettable. Return to the ship and enjoy another excellent lunch, but don't relax too much because there is more sightseeing to be done. After lunch, you will also enjoy the Temple of Hatshepsut and the Colossi of Memnon before returning to the ship for lunch. After lunch, you will once again disembark, this time to see Luxor Temple and Karnak Temple. These sites are included in our Egypt and Jordan luxury private tours, offering a personalized and immersive experience. You and your group will then return to the Nile cruise in time for dinner, and tonight you will sleep on board the vessel at Luxor. Meals Included: Breakfast, Lunch, and Dinner.

Day 9

Lost City Tour at Petra during Luxury Trip to Egypt and Jordan

Hotel breakfast, and then get ready for a day you are never likely to forget, a day that will see you visiting Jordan's biggest and, without question, most famous attraction, the Rose Red City of Petra. At the agreed time, you will again be picked up from your hotel, and then you will be driven to Petra, which is about a 2.5-hour drive. Petra, also often referred to as the Rose Red City, was established by the Arab Nabateans, a nomadic tribe, sometime during the 6th century BC. The Nabateans carved their new city into the rock of the Jordan Desert, and it was from here that they were able to establish a powerful commercial empire that would eventually reach Syria. On arrival at Petra, your first walk will lead you to the canyon, which is officially called the Siq, and you will pass between towering rock formations, some reaching more than 80 meters above you. Next, you will move on to see the most striking monument at the site, the Treasury. After some time exploring the Treasury, you will move on to see the Street of Facades, the Royal Tombs, and finally Pharaoh's Castle. This immersive experience is a highlight of our luxury Egypt and Jordan tours and represents the cultural depth of our Egypt and Jordan luxury private tours.
