Day 1

Karnak Temple Sound and Light Show

Your guide shall get you from your hotel or Nile cruise to enjoy an exciting evening at the Luxor Sound and Light Show at Karnak Temple as part of your [Egypt tours](#)! The whole thing begins with a walk down the Avenue of Sphinxes, leading directly into the grand facade of the Great Court. Moving through the complex, a resonant voice of a Pharaoh gives you the history of Upper Egypt and the New Kingdom. At the same time, highlighted lights display contributions from rulers such as King Tutankhamen, Ramses II, and Queen Hatshepsut against the night sky, making it one of the top things to do in Luxor.

In the second part of the show, you will be seated overlooking the sacred lake with the illuminated temple complex around you, as the enticing story of Egypt reveals itself even further. For an unforgettable experience, the [Luxor Sound and Light Show](#) will guide you through the best sound and light show at Karnak. This [Luxor attraction](#) is often included in many Luxor adventure tours and is a highlight of the Luxor East Bank tour. Please note that, though it is appropriate for all ages, the darker surroundings and loud narration may frighten small children. The ground surface around Karnak is sandy and untiled; therefore, we recommend flat, comfortable walking shoes.
