### Day 1

At 8:00 am we will pick you up from your hotel. You will be transferred by an air-conditioned bus to Taba Border in about a 3-hour drive. We will start from Eilat and drive along the Arava Valley towards the Dead Sea. It is the deepest point on earth and more than 400 meters below sea level. We will enjoy the marvelous experience of floating (not swimming) in its unique water, which contains an unusual amount of healthy minerals. Also, we can shop and explore the Dead Sea's natural beauty products such as salts, mud, lotions, and facial masks. Then we will ascend to the Holy City, Jerusalem. On the way to Jerusalem, we will see the Qumran Site (where the Dead Sea scrolls were found), the Judean Valley, and Jericho, where we can see some nomadic Bedouin tribes along the road through the Judean Desert. Reaching Jerusalem, we will start with a panoramic view from the Mount of Olives, a good place for an introduction to the city and its history. [Sharm El Sheikh day tours](#). We drive to Bethlehem to visit the Church of Nativity, the central pilgrimage destination for all Christians because Jesus Christ was born there. In Bethlehem, we will shop for souvenirs and enjoy a Middle Eastern meal with a free drink. Then we will head back to Jerusalem to see the Wailing Wall, which represents the last remnants of the Jewish Temple, and continue through the "Way of Suffering" "Via Del Arosa" which leads us to The Church of the Holy Sepulcher,

where according to Christian tradition Jesus was crucified and buried. Afterward, we will explore the must-see sites in Jerusalem. Drive back to Taba Border and then back to Egypt. Overnight in hotel.
