The final resting place of Egypt's rulers from the 18th to the 20th dynasty, it is home to tombs including the great Pharaoh Ramses II and boy Tutankhamun. The tombs were well stocked with all the material goods a ruler might need in the next world. Most of the decoration inside the tombs is still well preserved. [Hatshepsut Temple](#) is one of the most beautiful & best preserved of all of the temples of Ancient Egypt. The temple was built on three levels with two wide ramps in a central position joining the levels together. [Colossi of Memnon](#), Two massive stone statues of King Amenhotep III are the only remains of a complete mortuary temple. The statues are made from blocks of quartzite sandstone which exist in Cairo and then moved 700 KM to Luxor. Sail to Esna and Edfu. Overnight in Edfu. Meals: Breakfast, Lunch. Dinner

## Day 3

As part of your unforgettable Egypt trips, you will then sail to Kom Ombo to visit [Kom Ombo Temple](#): A temple overlooking the Nile. It was ordered by Hatshepsut (1508–1458 BC), possibly to complement the Lateran Obelisk (which was originally at Karnak and was later brought to the Lateran Palace in Rome).
